

Multi award-winning US singer Anne Steele to return to Crazy Coqs following her critically acclaimed debut in 2018 to launch *Made Out of Stars*, a new EP of original music

Anne Steele is to return to Crazy Coqs to release her brand-new EP, *Made Out Of Stars* on Wednesday 3 April and Thursday 4 April at 7pm.

The New York singer/songwriter and recording artist, a 3-time winner of New York's prestigious Manhattan Association of Cabaret and Clubs (MAC) Award and a 2-time winner of New York's Bistro and Nightlife Awards, made her critically acclaimed London cabaret debut with *Welcome to the Big Top* last October.

She co-wrote *Made Out Of Stars* in LA with rock star songwriters/ producers, Shane Stevens and Nash Overstreet (from the band Hot Chelle Rae). The new music will showcase a different side of Anne as not only a singer, but as a songwriter. She will be backed by her incredible band and backup singers, led by William TN Hall.
